DUO DEMO REEL 2025

<https://youtu.be/Li1VagqCXBE>

I am Chloé Seyrès, aka Kozmic Skater, a movement artist, educator, and former elite-level roller skater with over 20 years of experience.

A four-time world champion in freestyle slalom and former member of the French national slalom and roller derby teams, I competed at the highest level before transitioning to performing arts in 2021. Today, I merge roller dance, circus, and burlesque, pushing the boundaries of roller performance.

In 2023, I performed solo for Cirque du Soleil (Guy! Guy! Guy!) and won the Innovation Award as well as Best Small Group at the Burlesque Hall of Fame, the world's most prestigious burlesque competition, with my duo Kozmic Joy. As a headliner for numerous burlesque festivals, I have also performed at events such as Montreal Complètement Cirque, Fierté Montreal, Pride Toronto, Le Cabaret du Monastère, and worked on motion capture for Ubisoft's Roller Champions.

Alongside my artistic career, I share my expertise as the founder of Skatespace, Montreal's first roller school, where I teach skating to both amateurs and movement artists. Holding a Brevet d'Initiateur Fédéral and an ICP Freestyle certification, I also coach productions (shows, music videos) and performers integrating roller skating into their disciplines.
